Emergency Injunction

1. (Plaintiffs) Russian Federation - represented  
by: International Attorney  
- André Rene Levesque  
35A Smithfield Blvd #149  
Plattsburgh, New York 12901

2. (Defendants) U.S.A. Republican, Democrats and  
President Joe Biden, media outlets  
Oval office  
1600 Pennsylvania Ave (N.W.?)  
Washington, D.C. 20500

3. At issue is the "Rebuilding Economic  
Prosperity and opportunity for  
Ukrainians Act" There interference  
with a legitimate Police Action (sic) Amongst  
others

1 of

4. The District of Columbia is a territory just like a Native American Reservation were they force themselves ~~on~~ on others like child molesters force themselves on child. There subjects have "no" vote or representation in the alledged government "No" hearing, "No" charge and have instigated an international incident with there 5-6 billion dollar fine and 60 billion dollar interference with a legitimate police Action funding criminals such as themselves a treasonistic Act, (sic), causing the  Plaintiffs immense distress and irreparable harms. [if, I were to interfere with two police officers (intimidating them) while they attack, rob and talk to someone funny I would be arrested charged, jailed and or fined. In this case law and order has once again been ignored by what the Native American population calls "Murdering Maudading thieves and terrorists" who have lifted themselves up to a godly state ignoring due process, like the socio-paths they support and there fictitious all-ments]

5. Even the alledged Mentally ill get a hearing in front of a Judge, some call a witch hunt were they fly there craft threatening gang assults to force there victims into taking magic elixers, that do nothing but cause physical ailments. In this case the Russian federation was "not" afforded a hearing and 5-6 billions have been confiscated, and the U.S. government is in fact supporting a criminal organization by supplying 60 billion dollars in weaponry to thwart a Police Action being conducted by the Plaintiffs. While they also fund the Isreal slaughter of women and children who have "no" vote or representation in that regional conflict [After there walked in slaves revolted] Proving they are in fact Murdering Mauauding Thieves who have "no" respect for laws or constitutional rights of people everyware causing the Plaintiffs severe-undo emotional distress, irreperable harms as they murder indiscriminately- Police officers, women and children (sic). In foreign lands

6. The international criminal court in Europe who represent 124 countries, allegedly. They have issued an arrest warrant for the duly elected President of the Russian Federation, "Vladimir Putin" for abducting hoards of children from the Ukraine, while the Americans and Israelites slaughter children by the thousands and ~~starve~~ starve 10,000's of thousands more. This "I.C.C." has been petitioned by a prosecutor to hold the leader of Israel, Gaza and their west bank territory Benjamin Netanyahu to hold him for war crimes. However neither America, Russia or Israel are member nations to the I.C.C. as the Native Americans claim "War Crimes" by Washington and its "536" representatives are committing "war crimes" now here in America.

The only other actual court in the world is the "U.S.A." Federal court with the power to hold the United States Government accountable. This is causing the people of the Russian Federation immense distress's and irreparable harm's there pain and suffering. The oppression is staggering.

7. In 1672 a "treaty" with the Native Americans was enacted, with the French, English and Spanish for appropriate social integration. The Dutch and French along with their new friends were overrun by "Terrorists" being the House of Lords of (UK). British slave merchants ~~to~~ turned soldier en-root to the lands north of the Hudson bay and forced themselves on the indignant populations north of that line.

It is in "Dutch, Netherlands" were the International criminal court. 124 countries support this organization of concerned people. The United States of America is (not) one of them.

The United States Supreme court has quoted an "old english law, deporting a child from Florida to Cuba an Island just south of North America. by Quoting such law ~~to~~ enacted before 1776.

It therefore must honor the treaty from 1672. - It also has the power to prevent the U.S. Congress + President to block this body from stealing money and supporting the interference by and from the Russian

7. (Continued) Federation's police Action in the Ukraine;

as it is an "unjust deliberation" to impose a fine of siezed money it percieves it can do without "bond, charge or due process" and in their actions committing theft, like common criminals.

8. About a decade ago, 10 years or so/ser 104 protesters in the UKrain were killed one day. Some of whom, were Russian Decendants. The, then UKrainian President fled to Moscow Hundreds of miles ~~to~~ north of Kyve.

$\frac{1}{3}$  of the lands of UKrain to the East is mostly occupied by Russian Decendants who don't speak UKrainian laungage further complicating territorial perceptions.

Until The ~~begining~~ beginning of the Police Action the Russian Federation took up in 2022, UKrainian Presidents came and went yearly, as over 10,000 people were killed in secular civil war amongst the 5 factions of UKrainian Politicks, and a Dutch Airliner with 238 people was shot down during this

6 of past 10 years.

8. (continued) The civil unrest south of the lands in Russia prompted by over 300,000 letters to Moscow from Ukraine and a mounting upto The Russian Government to issue 750,000 visas to Russian Decendents as they prepared to conduct what they believed to be warrented.

9. The U.S.A. Government, "bully's" as they are by imposing said fines and providing support for criminals amounts to them themselves conducting a police action and in "spirit" of such action have themselves Arrested and detained the Russian Federation, confiscating their money and made them Prisoners who they beat daily a, Human Right violation

All while enlisting others thro intimidation a form of Restricting Appropriate Promised Entitlement Diliberately. Harrassing other victims of the Imperilist idiolgy, being the ("North Koreans" Peoples Democratic Republic of Korea) China and others. As they Gang up on them like school yard bulllys. One by one they give up on morals and values to fit in to the social group. This is causing the Plaintiffs Immense distress's and irreperable harms.

10. Let me remind the court, that after the Queen of England bequeathed, upstate N.Y. to her subjects to end the war in 1812 the United States's new government, continued to murder, Rape and enslave the Native populations west of the Mississippi river relentlessly. Proving they cannot be trusted today, As Mimicing has perpetrated there medieval deranged ideology to continue to police other nations and should be forced to mind there own business, instead of interfering with the Plaintiffs' legitimate police action. As they encourage a hazing harassment campaign with news outlets "like C.N.N. Fox news MSNBC, who themselves with 24hr paid entertainment propaganda caused a fake scare with an alledged corona-virus, COV.I.D. and plunged America into a deep recession. 400,000 people each year succumb to flu like symptoms, mostly from the lack of salt. This slanderous rampage should be stopped with a restraining order as unethical as its also causing the Plaintiffs severe-undo emotional distress's and irreparable harms

11 - The Russian Federation is trying to investigate the Dutch Airliner that was shot down, The Ukrainians didn't secure the wreckage and there possessions were looted.

In Belarous on Friday May 24<sup>th</sup> 2024 the real president of the Ukraine who fled in 2014 after the 101 protesters got shot and killed was participating in Mobil nuclear drills.

The current administration and congress are jeopardizing national security by funding the criminals of Ukraine with last months 61 billion dollar weaponry disbursement to escalate the conflict, as they did in the 1870's by forcing the Japanize to trade coal, That escalated into the justified attack of Pearl Harbor in 1941. This is causing the Plaintiffs immense distress and irreparable harms.

The U.S. Congressional members, Media an President Joe Biden should all be jailed without bond for war crimes, or, Police brutality leading to countless deaths from their depraved deliberate indifference and Harzings

See attached evidence

12. In logic, if the U.S. Congress is policing, then; the Russian Federation are prisoners and entitled under the Prisoner Rights act of 1983 amended in 1997, a 20 chapter defacto constitutional amendment, were a detainee "NO" longer has to prove deliberate indifference on behalf of Governmental Court officers as defined, The U.S. Supreme Court has left, it to a perception of distress of the accused and for Magistrates to evolve prisoner rights.

In this case, the Plaintiffs money has been stolen, they've been endlessly slandered, under anti-bullying laws, this illegal activity by the media filled by Rough Sharding Prudish Ninny's and heckling haggling nay-sayers in the U.S. Congress, only adds to the Plaintiffs distress's

13. In conclusion: All of this has and continues to cause the Plaintiffs severe-and emotional distress, immense distress's, and irreparable harms their pain and suffering is enormous.

# Relief Sought

The Honorable Court must issue a restraining order against the United States Government and free up their prisoners 5-6 billion dollars order them to stop the 61 billion dollar weapons deal and prevent any further slander by the media as they are inciting violence with there rhetoric of war + invasion to justify the U.S.A.'s murderous rampage that goes unchecked and has since 1776.

Whether its war or a police action, the Native Americans are still at war with the imperialists and there dollar an hour slave labor and they are (not) subject to be jailed for war crimes here in the alledged U.S.A. or in the Hage Netherlands - International criminal court.

Or any other order the Honorable Court deems just and proper.
